

## BOSTON COLLEGE

OFFICE OF THE DEAN OF STUDENTS

June 18, 2019

[REDACTED]

Dear [REDACTED]:

I am writing to report on the outcome of the sexual misconduct investigation that was conducted by the institution arising out of an incident that occurred on November 4, 2018 involving you and fellow student [REDACTED].

The Student Affairs Title IX Coordinator and I have reviewed and approved the final investigative report, and I have made the following findings:

**VIOLATIONS:** Sexual Misconduct: Sexual Assault – **RESPONSIBLE**

With regard to the November 4, 2018 incident, the investigators found by a preponderance of the evidence that you penetrated [REDACTED] vagina with your penis without her consent. While the investigators concluded that you did not know, nor that you reasonably should have known, that [REDACTED] was incapacitated by alcohol, they found, by a preponderance of evidence, that [REDACTED] did not provide consent for you to penetrate her vagina with your penis.

As a result, you have been suspended from the institution effective immediately. The sanction of University Suspension requires that the student no longer be present on any Boston College owned or leased property for the time specified below. While on suspension, a student may not take courses to advance his or her degree. Students cannot be re-admitted until after the date their suspension ends, nor may they register or pre-register for the following semester's courses. The graduation date will be adjusted upon re-admission according to the length of the suspension. Please contact your academic dean's office for further information. This suspension will be noted on your academic transcript. This will be in effect through May 18, 2020.

In addition, upon successful readmission to Boston College, you will be placed on University Probation for one year following your return. The sanction of University Probation means that any further violations of University rules and regulations may result in a suspension or dismissal from Boston College. This suspension or dismissal would be noted on your academic transcript. If you are readmitted for the Fall 2020 semester, University Probation will be in effect through: May 24, 2021.

The final investigatory report explains the conclusions of the investigators in more detail, and you can make arrangements to review it in person in our office, accompanied by your adviser if you wish. Please let me know if you would like to set up a time for review.

Please note that the Retaliation policy outlined in Section IV of the Sexual Misconduct Policy applies to all parties in this matter, and that any form of retaliation or intimidation in connection with this investigation is prohibited.

If you choose to appeal this decision, you must submit your appeal request to me within five business days. For more information about the appeals process, refer to Section 5, Student Conduct System of the Student Guide, which is available at [www.bc.edu/studentguide](http://www.bc.edu/studentguide).

If you have additional questions or would like to discuss this matter further, please call me at 617-552-3470 or make an appointment to see me at my office.

Sincerely,
